JaVonne,

Well I guess this is the last of school, aren't you glad. Maybe we can walk to school together again next year, can never tell. I don't know what to write, just use your imagination, and pretend I wrote what ever you want me to, I'm not very good at this.

The nicest <u>underclassmen</u> in <u>high school</u>

Band

Our Senior Band has made a great deal of progress during this past year. With the recently organized Band Mothers' Club, the city service clubs and businessmen behind it; the band has been able to purchase a number of new instruments and new summer uniforms.

Last year the band participated in the Minneapolis Aquatennial and plans are being made to make the trip again this July. Several concerts were presented during the year. Attending the festival at Jamestown, and having a picnic are two annual affairs.

The Mandan High School Band will appear in a national yearbook. It will include our "first chair players".

Cooperation is the main ingredient in this organization. Under the able direction of Arnold Larson, the band hopes to continue on its road to success.

John Mach,
Head Football Coach

Football

The Mandan Braves had rough sledding in a tough Western Conference, winning two and losing five. In a non-conference game with a tough Devils Lake team, they battled to a 0-0 tie.

They showed on several occasions that they were capable of brilliant football. Examples of these were the St. Leo's game which Mandan won 40-0 and Dickinson whom Mandan battered to a tune of 35-0.

Coach John Mack substituted freely in all games in an effort to build up a strong team for next year. His efforts resulted in 25 lettermen, a majority of them returning, which gives bright promise for the future season to come.

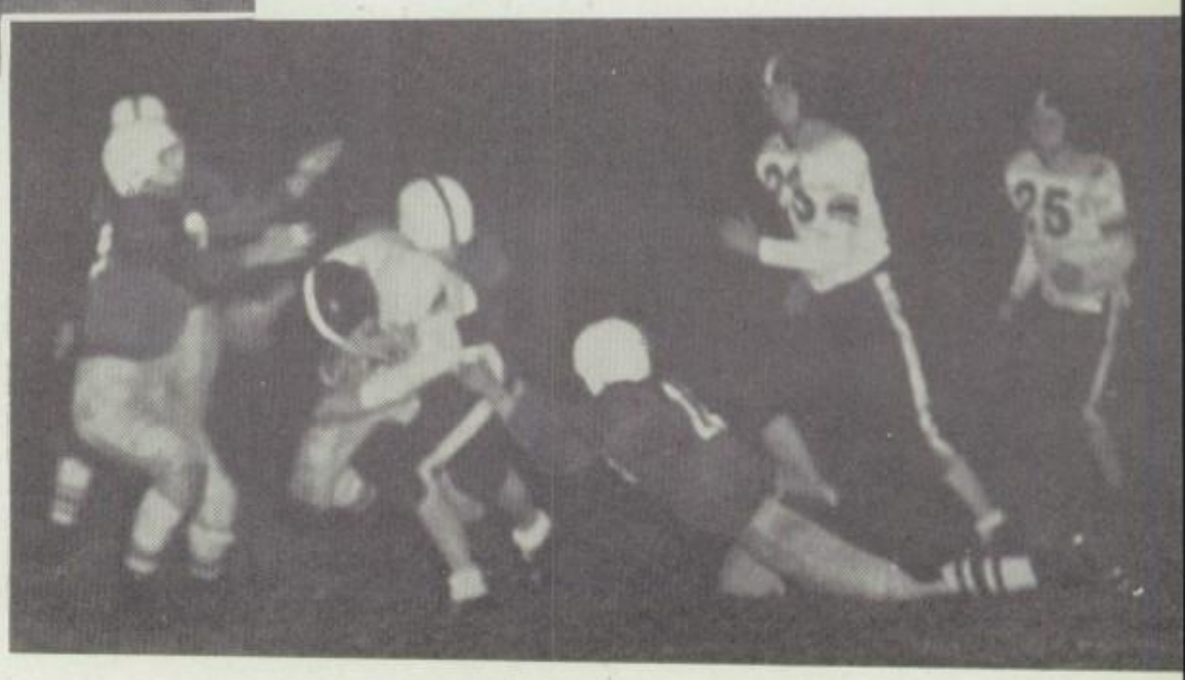
Credit was bestowed on the Braves when Bill Lord was chosen All-State Center for the second straight year. He was also chosen lineman of the year, and was given honorable mention on the Little All-American Football Team.

Bill Lord

Get off my back, boys!

Let go of me, you bully.

Boo hoo, they killed him!



Give him a push, John.

The Mandan Braves with only two returning lettermen, surprised the experts and went on to a very successful season. Included in their laurels were the capturing of the Christmas Tourney at Bismarck and going on to a perfect season against Western Conference competition on our home court.

The Braves started out slow, losing four out of their first five games, but then they caught fire and went on to win eleven out of their next fourteen games.

Unfortunately the Braves cooled off before they reached the divisional tournaments, and this resulted in their being forced out of the tourney in three games. This brought their record up to 13 wins and 9 losses.

B Squad

The Mandan B squad coached by Hans Grunseth turned in a season's performance of 7 wins and 3 losses against very tough competition. Although starting off slow, losing three of their first four games, the Paps came roaring back to win their last six games in a row.

Since the squad consists of nearly all sophomores and freshmen, we believe that the Braves will receive a wealth of material in the next three years.

Track

The Braves will again field a track team this year under the capable tutorage of Coach Johnny Mach and a large turn-out is expected.

With the majority of Coach Mach's boys returning again this year, the prospects for this season look very hopeful; and we hope that Mandan will be well represented in the state meet this coming year.

Intramurals

Under the direction of Coach John Mach, Mandan High School offers to the students a well-rounded program of athletics, including basketball and volleyball. Competition is very keen, and it develops a spirit of team play and friendliness among the participating groups.

From the Staff

We would like to express our appreciation to all who have helped in the production of the 1954 Chieftain.

Mr. Fors deserves our gratitude for taking and developing many of the pictures that appear in this book. Lee Mohr and Mason Owens did a fine job of taking group and individual pictures.

This book would not be possible without the financial help that our sponsors so generously contributed.

Miss Phillipp was always ready with a suggestion and a word of encouragement when we ran into difficulty.

To the business staff and all the student who helped us, go our sincere thanks.

Pauline Buckles
